OUR STORY

Axxess is the leading technology solutions provider for care in the home. Our complete suite of innovative, easy-to-use software solutions is developed with proprietary intelligence to empower home care, hospice, and home health providers to grow business while making lives better.

- ▶ IMPROVE QUALITY OF CARE
- ▶ INCREASE REVENUE
- ▶ DECREASE COST
- ▶ STREAMLINE OPERATIONS
- ▶ ENSURE COMPLIANCE

A LEADER IN INNOVATION

- » Mobile apps for iOS and Android to complete mobile documentation
- » Mobile electronic visit verification to ensure regulatory compliance
- » Custom care plans ensure caregivers provide quality client care
- » Access all documentation on one screen from any visit note

MAKING CARE EASIER

Our innovative solution significantly reduces the amount of time spent on documentation, scheduling and claim submissions so caregivers can spend more time with clients. Axxess HomeCare facilitates compliance and maximizes efficiency to make care easier.

- ▶ EASY COLLABORATION
- ▶ CONVENIENT MESSAGING
- ▶ REAL-TIME BILLING
- ▶ MOBILE DOCUMENTATION
- ▶ CUSTOMIZED CARE PLANS
- ▶ ROBUST REPORTING
- ▶ SEAMLESS INVOICING
- ▶ INTUITIVE SCHEDULING

GROW YOUR BUSINESS

- ▶ Track client census and referrals
- ▶ View real-time data to make informed decisions

STREAMLINE OPERATIONS

- ▶ Schedule and manage shifts in real time
- ▶ Easily view and reassign tasks

IMPROVE QUALITY OF CARE

- ▶ Match caregivers to client needs
- ▶ Customize client charts

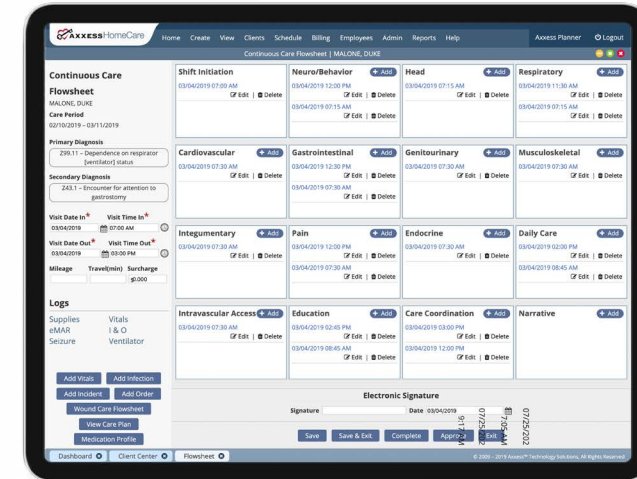

ENSURE COMPLIANCE

- ▶ Receive real-time alerts for EVV and HR credentialing
- ▶ Verify visits at the point of care

MAXIMIZE EFFICIENCY

- ▶ Easily send invoices to clients and payers
- ▶ Flexible billing frequencies

MAKING CARE EASIER

NON-MEDICAL

- ▶ Custom visit notes enable caregivers to deliver quality care tailored to client needs and ensure compliance by performing tasks exactly as outlined in the client's care plan
- ▶ Client preferences functionality enables users to designate which caregivers are client favorites for reference when planning and scheduling
- ▶ Seamless invoicing and ability to pay invoices through the Family Portal

MEDICAL

- ▶ Comprehensive assessment enables clinicians to easily document multiple body systems throughout extended care shifts
- ▶ Document full range of care plans, assessments, visit notes, and orders
- ▶ Seamless updates ensure regulatory compliance
- ▶ Electronically bill through AxxessRCM

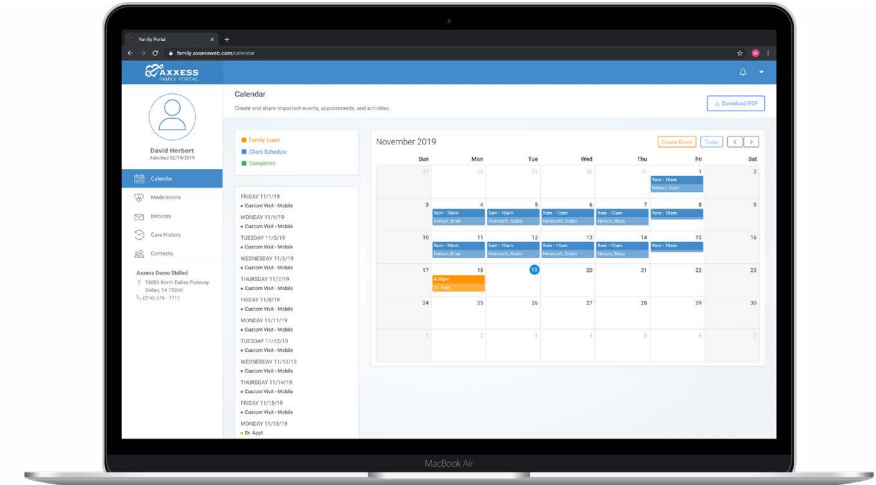

MAKING CARE EASIER

PEDIATRIC

Spend more time caring for your pediatric clients with our easy-to-use solution that streamlines operations and ensures compliance.

- ▶ Match qualified caregivers to clients' needs and preferences for quick and easy shift fulfillment
- ▶ Document multiple treatments per shift with eTAR
- ▶ Pediatric-specific forms available

FAMILY PORTAL

Improve care coordination with a collaborative portal that enables clients and their families to maintain active roles in the services they receive.

- ▶ Easily view and pay invoices
- ▶ View upcoming scheduled shifts, assigned caregivers, and past due visits
- ▶ Monitor active medications in real time throughout care

EMPOWER CAREGIVERS

- ▶ Safe and secure access to our cloud-based software anytime, anywhere, on any device
- ▶ Convenient messaging facilitates real-time collaboration and shift coverage
- ▶ Easily map directions to client homes and complete documentation at the point of care

“Axxess is very user friendly, all of our caregivers love using the software.”

Gina Kuenzi, Director of Nursing
Connected Home Health Pediatrics

MOBILE SOLUTIONS

AXXESS MOBILE

Our industry-leading mobile apps are easy-to-use solutions that put client care in the palm of your hand.

Mobile app for
iOS and Android

- » Document visit information at the point of care
- » Real-time access to client care plans
- » Real-time validations to ensure accurate documentation
- » HIPAA-compliant messaging system
